

# Xiao Jia

Shanghai Jiao Tong University  
800 Dongchuan Road  
Shanghai 200240, China

Phone: (+86) 152-1671-2262  
Email: xjia@cs.sjtu.edu.cn  
Homepage: <http://acm.sjtu.edu.cn/~xjia>

## Personal

Born on May 11, 1992.

## Research Interests

Programming Languages, coordination languages, declarative languages  
Program Synthesis

## Education

ACM Class, Computer Science, Shanghai Jiao Tong University, 2009-  
Dalian Yuming High School, 2006-2009.

## Awards and Honors

First prize in China's National Olympiad in Informatics in Provinces, 2008  
Second prize in China's National High School Math League, 2008  
National Champion in Morgan Stanley Code Storm, 2011

## Publications

**Xiao Jia**, Kenny Q. Zhu, Joxan Jaffar, Roland H.C. Yap. *A Runtime System for Generalized Committed Choice*, APPLC 2012.

## Teaching Experience

CS110	C++ Programming	Fall 2010	Teaching Assistant
CS361	Data Structures	Spring 2011	Teaching Fellow
CS484	Principle and Practice of Computer Algorithms	Summer 2011	Teaching Fellow (Lecturer)
CS110	C++ Programming	Fall 2011	Teaching Fellow
CS216	Project Workshop of Compiler Principles	Spring 2012	Teaching Fellow (Lecturer)

## Selected Scores in Professional Courses

CS101	Introduction to Computer Science	100/100
CS110	C++ Programming	98/100
CS361	Data Structures	91/100
CS484	Principle and Practice of Computer Algorithms	100/100
CS308	Compiler Principles	92/100
CS216	Project Workshop of Compiler Principles	99/100
CS201	Object-Oriented Analysis and Design	92/100
CS339	Computer Networking	95/100
CS376	Project Workshop of Operating Systems	100/100
